15. What does Kareem do with a lead the prospect says “not interested” to?

Date completed: _____ **Mike grades each scenario 0-5. Total score:** ____ / 20

Mike plays the prospect. Kareem reads scripts in his own voice. Aaron observes. After each scenario, Mike + Aaron give feedback before the next one starts.

Scenario 1 — Lis Pendens, Denial state (5 pts)

Setup: Mike is “John,” 52, foreclosure case just filed in Franklin. Mike’s posture: “the bank’s working with me, I don’t need to talk to anyone.”

Pass criteria: - ☐ Kareem opens with the Help-Frame Opener (1 pt) - ☐ Kareem sets TARP at the start (1 pt) - ☐ Kareem does NOT argue with the bank-working narrative (1 pt) - ☐ Kareem uses “parallel-track” framing — keep doing what you’re doing AND have a backup plan (1 pt) - ☐ Kareem ends with either a soft callback OR Verify The No, never just a hangup (1 pt)

Mike’s notes: _____

Scenario 2 — Sheriff Sale, ≤14 days, Decision-Fatigue state (5 pts)

Setup: Mike is “Maria,” 47, sale 9 days out in Montgomery. Mike’s posture: tired, sighing, “I can’t deal with this right now.”

Pass criteria: - ☐ Kareem opens with the urgency-mode Help-Frame Opener (1 pt) - ☐ Calm tonality despite Maria’s exhaustion (1 pt) - ☐ Reduces cognitive load to ONE small ask (1 pt) - ☐ Walks through 4 options without pressuring (1 pt) - ☐ Closing TARP includes time + agenda + permission to say no (1 pt)

Mike’s notes: _____

Scenario 3 — Probate, Active Grief (5 pts)

Setup: Mike is “David,” 38, probate filed 3 weeks ago for his father in Greene. Mike’s posture: voice crack, long pauses, “we’re still figuring things out.”

Pass criteria: - ☐ Kareem opens with calm condolence (1 pt) - ☐ Identifies grief state quickly (1 pt) - ☐ **Backs off** — does not push the four-options menu today (1 pt) - ☐ Offers SMS summary + 30-day callback as the soft exit (1 pt) - ☐ Does NOT identify as a wholesaler when David asks (1 pt)

Mike’s notes: _____

Scenario 4 — Suspicion-of-Vultures, opens with “How did you get my number?” (5 pts)

Setup: Mike is “Tracy,” 60, sheriff sale scheduled in Franklin. Mike’s first words: “Who is this? Where did you get my number? Are you another scammer?”

Pass criteria: - [] Kareem stays calm, does not get charming (1 pt) - [] Answers “public records” honestly + transparently (1 pt) - [] Names the company, market, and “not a wholesaler” (1 pt) - [] Offers to text address/license info before continuing (1 pt) - [] Successfully de-escalates and re-opens the call (1 pt)

Mike’s notes: _____

Page 3 — Day 3 Written Quiz (10 questions, 20 min)

Date completed: _____ Score: ____ / 10

1. What does the tag `mike_active_sms` mean for Kareem?

2. What does `kareem_active_call` mean for Mike?

3. Before dialing any record, Kareem must check _____ first.

4. A prospect says “Sure, maybe later.” What’s the framework called for handling this, and what’s the first sentence Kareem says? Framework:

_____ First sentence:

5. List the 4 Boxing Objections in EXACT ORDER:

1. _____

2. _____

3. _____

4.

6. What's the minimum silence after Kareem asks a calibrated question? ____ seconds

7. If a prospect says "I'm not selling," what's the literal first sentence Kareem says back?

8. List 3 things Kareem must put in the REISimpli Notes field for every handoff:

1.

2.

3.

9. The TARP at the END of Kareem's call must MATCH _____ at the BEGINNING of Danielle's call.

10. What's Kareem's daily KPI floor for set appointments per week?

Page 4 — Day 4 Practical Quiz (Bulk Top-250, Mike + Kareem joint roleplay)

Date completed: _____ Mike grades each scenario 0-5. Total score: ____ / 15

Scenario 1 — Bulk Top-250, vacant high-equity owner (5 pts)

Setup: Mike is "Carl," 58, owner of a vacant Columbus property he hasn't lived in for 5 years. Mike's posture: not in distress, mildly irritated by the call. "Why are you calling me about that house?"

Pass criteria: - ☐ Kareem opens with the BULK opener (not the FTM opener) (1 pt) - ☐ Honest: "popped up on a list of vacant or distressed properties" (1 pt) - ☐ Does NOT pretend to know a specific event (1 pt) - ☐ Walks the four-options menu (1 pt) - ☐ Captures UMBC even on a soft connect (1 pt)

Scenario 2 — Bulk Top-250, tax-delinquent absentee (5 pts)

Setup: Mike is "Janet," 72, lives in Florida, owns a Dayton property she inherited. Tax-delinquent 2 years. Mike's posture: confused — didn't know taxes were that far behind.

Pass criteria: - [] Kareem identifies the situation but does NOT make Janet feel ashamed (1 pt) - [] Educates on tax sale timeline calmly (1 pt) - [] Walks the four options including the “just answer questions” path (1 pt) - [] Captures M (motivation — what does she want with the property) and B (ballpark — what would she sell for) (1 pt) - [] Books a Danielle callback with full TARP (1 pt)

Scenario 3 — Bulk Top-250, multi-distress (vacant + code violation + delinquent) (5 pts)

Setup: Mike is “Robert,” 65, three distress flags. Mike’s posture: “yeah, I know, I just don’t want to deal with it.”

Pass criteria: - [] Kareem opens calmly, doesn’t pile on the distress factors (1 pt) - [] Same-Side framing — “let me see what I can do for you” (1 pt) - [] Captures full UMBC including condition (likely bad) (1 pt) - [] Closing TARP includes scheduled callback to Danielle (1 pt) - [] Confirmation SMS sent within 5 min (Kareem demonstrates) (1 pt)

Page 5 — Week 2 Monday Drill: TARP Fluency (Mike + Kareem, 15 min)

Date completed: _____ **Score:** ____ / 5

Mike calls Kareem on Smrtphone with a fresh “prospect” each round (5 rounds, 3 min each). Kareem sets full TARP within 30 seconds of opening. Mike grades:

Round	Distress state	Time to TARP completion	Pass/Fail
1	Denial	____ sec	_____
2	Suspicion	____ sec	_____
3	Decision Fatigue	____ sec	_____
4	Magical Thinking	____ sec	_____
5	Shame	____ sec	_____

Pass = TARP complete within 45 seconds, all 4 elements stated naturally.

Mike’s notes: _____

Page 6 — Week 2 Tuesday Drill: Boxing Objections (Mike + Kareem, 15 min)

Date completed: _____ Score: ____ / 4

Mike gives Kareem a vague objection. Kareem must run all 4 Boxing questions in EXACT ORDER without skipping or paraphrasing.

Round	Vague objection	Did Kareem run all 4?	Said “options” not “offers”?
1	“Let me think about it.”	Y / N	Y / N
2	“I need to talk to my wife.”	Y / N	Y / N
3	“Now’s not a good time.”	Y / N	Y / N
4	“Maybe later.”	Y / N	Y / N

Pass = 4 correct sequences with “options” used every time.

Page 7 — Week 2 Wednesday Drill: Verify The No (Mike + Kareem, 15 min)

Date completed: _____ Score: ____ / 5

Mike says “not interested” in 5 different scenarios. Kareem must run the full Verify-The-No sequence without skipping.

Round	Scenario	Sequence run correctly?
1	Foreclosure denial	Y / N
2	Probate “we already have a buyer”	Y / N
3	Bulk Top-250 “I don’t sell to investors”	Y / N
4	Sheriff Sale “I’m staying in my house”	Y / N
5	Redemption Window “it’s too late anyway”	Y / N

Pass = all 5 sequences include: re-stated question + “What has changed?” + referral ask.

Page 8 — Week 2 Thursday Drill: Same-Side Selling Phrases (Kareem, 10 min)

Date completed: _____ Score: ____ / 4

Kareem writes the EXACT locked phrases for Same-Side Selling from memory:

1. The “fight for you” phrase: _____
 2. The “really trying to make this work” phrase:

 3. The “lower than you hoped” objection-handler:

 4. The “partners will set the price” leverage phrase:

-

Page 9 — Week 2 Friday Drill: Silence Control (Mike + Kareem, 15 min)

Date completed: _____ Score: ____ / 5

Mike asks Kareem 5 calibrated questions in roleplay. After each question, Mike times Kareem’s silence before he speaks (cheats — Mike will deliberately stay silent for 8-10 seconds to test).

Round	Calibrated question Mike asked	Kareem's silence (sec)	Did Kareem fill silence prematurely?
1	"What would you walk away with?"	_____	Y / N
2	"What's the plan if the bank stalls?"	_____	Y / N
3	"What does this look like 6 months from now?"	_____	Y / N
4	"Tell me what's been weighing on you."	_____	Y / N
5	"What number would feel right?"	_____	Y / N

Pass = 5 silences of ≥ 4 seconds, zero premature fills.

Page 11 — Week 3 Monday Comprehensive Quiz (25 questions, 45 min)

Date completed: _____ **Score:** ____ / 25

(Aaron pulls 25 questions from a question bank covering Pages 1, 3 + framework concepts. Kareem must score 90%+ to graduate to Week 4.)

Aaron writes the 25 questions live based on Kareem's gaps from Weeks 1-2. Sample question types: - Recite [framework element] from memory - Distress state diagnosis from a prospect quote - “What do you do when ____” scenarios - Tag-flow logic puzzles - REISimpli handoff sequence

Suggested distribution: - 5 questions on framework (TARP, UMBC, Boxing, Go-For-No, Verify-The-No) - 5 questions on distress states (diagnosis from quotes) - 5 questions on call scripts (preset-specific openers) - 5 questions on tag flow + Mike collab - 5 questions on REISimpli handoff procedure

Page 12 — Week 4 Final Comprehensive Quiz (50 questions, 90 min)

Date completed: _____ **Score:** ____ / 50

Onboarding-completion gate. Kareem must score 90%+ (45/50) to be considered fully onboarded. Below 90% = onboarding extends 2 weeks with targeted skill work.

(Aaron pulls 50 questions covering all 4 weeks of training — framework, distress psychology, scripts by preset, cadence, qualification + handoff, Mike+Kareem collab, KPI math, edge cases.)

Suggested distribution: - 10 questions on framework + RD methodology - 10 questions on the 8 distress states + how to read them - 10 questions on call scripts (specific openers, objection handlers, voicemails) - 5 questions on FTM cadence - 5 questions on Bulk Top-250 cadence - 5 questions on Mike+Kareem tag flow - 5 questions on REISimpli handoff + TARP alignment

Page 13 — Onboarding Exit Review (Aaron + Kareem, end of Week 4)

Date: _____ **Reviewer:** Aaron
